

# New Book Just Off The Press

***Morning Meditations***, by Alexander D. Marini (harp maker), is a devotional book written to inspire and encourage musicians to honor God and edify His people with the blessed and powerful gift of music. The book contains much thought-provoking commentary on what the Bible reveals about God's own love for music, music as a spiritual gift, discernment in music, the acceptable worship atmosphere, and more. If you love music, ***Morning Meditations*** will help you fit music into the bit picture of God's relationship with those He created in His own image.
